**INSELTRADE**

# Program

- Welcome and Introduction
- Tampere Automotive & Vehicle Technology Cluster update
- Off-road vehicle industry and business visits in Spain
- Discussion, Q&As

# Cluster's afterwork

Thursday, 4 September 2025 at 15:30-18:00 | Courtyard Tampere City

Relaxed afterwork event with

- Latest updates from the Tampere Automotive and Vehicle Technology Cluster
- Upcoming events, international visits, and future plans.

The theme of the event is **internationalization of companies and strengthening cluster collaboration.**

Let's connect, contribute, and exchange ideas!

## Program

- Welcome & Cluster update
- Cluster development – Gofore
- Company outlook and internationalization – MDI
- Open discussion and networking

# Cluster's networking event

Wednesday, 26 November 2025

**TAMPERE.**  
FINLAND

**Join us to hear and discuss about the latest technology development and network with the top automotive and off-road vehicle technology companies!**

For the third time in Tampere, we'll arrange a technology & business meeting for companies within the automotive, mobile work machine and commercial vehicle domains. We expect again overseas visitors to join the event.

The event location and program will be available later.

Meanwhile here's the short video about our last networking event: <https://video.business tampere.com/automotive-vehicle-technology>
